DESCRIPTION/OPTIONS: Check out this 2025! Having been designed with performance, style and comfort in mind, this vehicle delivers a satisfying driving experience for a diverse range of expectations! The engine breathes better thanks to a turbocharger, improving both performance and economy. Nissan prioritized practicality, efficiency, and style by including: a trip computer, remote keyless entry, and power windows. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have. We are here to help you.
