**DESCRIPTION/OPTIONS:** Your search is over! You won't want to miss this excellent value! This SUV combines world-recognized style and capability with pickup truck practicality and plenty of off-road grunt! Nissan prioritized comfort and style by including: front and rear reading lights, heated seats, and power windows. Smooth gearshifts are achieved thanks to the 3.5 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our team is professional, and we offer a no-pressure environment. They'll work with you to find the right vehicle at a price you can afford. Stop by our dealership or give us a call for more information.
