DESCRIPTION/OPTIONS: This Nissan won't be on the lot long! This SUV combines world-recognized style and capability with pickup truck practicality and plenty of off-road grunt! Nissan infused the interior with top shelf amenities, such as: variably intermittent wipers, tilt and telescoping steering wheel, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
