**DESCRIPTION/OPTIONS:** Check out this 2026! A great vehicle and a great value! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Nissan prioritized practicality, efficiency, and style by including: a rear window wiper, telescoping steering wheel, and leather upholstery. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
